

Story starter!

It had been many years since the shrill shriek of a steam train puffing along the the track had been heard in these parts.

The Northern Railroad had been discontinued after the great disaster on June 11th, 1911. Ever since that day, the Railroad company had been nothing but a distant memory, a story to be told around the campfire late into the night.

As the group sat around their newly constructed camp, listening to the crackle of the flames as they licked up into the night, their minds wandered back to the stories they had heard from their fathers. So absorbed were they in the moment, and the mesmerizing glow of the fire, that it was hard to tell if the shrill shriek coming from the distance was part of their imaginations...
