

## Phonics games

### Phonics Spiders

#### You will need:

Paper

Pen

Glue

String

Scissors

Phonics sound mat (see school website)

Select a phonics sounds and write it in the middle of a circle (this will be the body). Cut out 8 'legs' and attach to the body. Can you think of 8 words containing that sound? Write them onto the legs.

## **Phonics: Using natural resources**

### **You will need:**

A walk in the local park!

A range of sticks/leaves/petals/stones

Using the things, you have found can you make letters or words. Perhaps you could take pictures of these letters/sounds print them out and use them to again to create more words on rainy days.

### **Watering the spelling:**

Chalks

Watering can (or bottle of water with a spout top)

**On** a path/paving stones, write a selection of letters or sounds. Give the child a word to spell. They have to use the watering can and wash away the letters they will need. Will they wash away the right ones?!
