

DAY 4

Uh oh! Daisy is cross because her verbs are not in the past tense.

Help her by rewriting her verbs in the past tense by adding the suffix -ed. The last two are a bit different. In the past tense for these verbs you don't just add *-ed*. What are they in the past tense?

lift	
kick	
soar	
chuck	
shout	
run	
think	

Write a superhero sentence using each of the past tense verbs you have written. Make sure you have included capital letters, finger spaces and full stops in your sentence. You could use interesting adjectives and the joining words 'and' or 'because' to extend your ideas. Look at the example below.

Daisy soared over the massive wall because there was a giant monster chasing her.
