

## DAY 2

### 1. Story time

Watch the story of Supertato again following the youtube link -

<https://www.youtube.com/watch?v=QlaMeNmTG6c>

This time, pause the story when you get to the parts where Evil Pea does mischievous things to the vegetables! How do you think they are feeling? What could those characters be saying?

### 2. Character speech

Use the speech bubbles and pictures below to write character speech for each of the vegetables in the story. Remember to use the correct punctuation for your character speech (you do not need to use speech marks in a speech bubble). If your character is asking a question you will need to use a question mark. If they are shouting what they are saying, you may want to use an exclamation mark.

Practise saying each of your ideas using expression when you are reading. How would the characters be saying what you have written?
