

DAY 5

1. Story time

Enjoy some time watching 'Kids Make Comics' on youtube. There are some great ideas about how comics are created. This might help you with some ideas for writing your own comics next week!

Simple shapes make super characters!

2. Comic book word art!

Have a look at the images of the comic book word art below. Have you seen any of these images before? Can you read the words? What kind of words are they?

They are mostly describing the sounds that are made. Can you discuss the colours and patterns that are used?

Can you design your own comic book words? You can use the templates saved on the home learning hub or you can have a go at doing your own bubble writing. Can you think of any of your own words? Remember to use your phonics if you are creating your own action words!
