

Day 3 and 4

1. Comic Book

Finish off your comic book today if you need to. As an extra challenge, you could write your comic book as a story.

2. Finding adjectives

We have done lots of work in Year 1 about using interesting adjectives in your writing. Can you complete the 'Finding Adjectives' sheet saved below?

Please note that there are three versions of this sheet. Please use the sheet which you feel is appropriate for your child.

As an extra challenge, you could think of some even better adjectives that mean the same thing.

3. Sorting adjectives

Adjectives can be used to describe lots of different things and feelings. Think about the different adjectives we used to describe heroes and villains!

On the 'Sorting Adjectives' sheet below, there are lots of interesting adjectives that have very different meanings. Can you sort them into the groups? If you don't have enough space on the sheet or cannot print it from home, use the groups as headings and then list the appropriate adjectives underneath. As an extra challenge, you could come up with some more of your own!
