

WELCOME

to year 4!

Year 4 Teachers

4C - Mrs Chapman

4P - Mrs Peat

4S - Mrs Stott

Miss Cross and Miss Little will cover
the Year 4 teachers when they have
PPA.

Year 4 Teaching Assistants

These are the teaching assistants that
will be working with you in Year 4:

Mrs Fuller

Mrs Sykes

Mrs Whitehead

Mrs Ackroyd

Class 4C - Mrs Chapman

Hello everyone!

I am really looking forward to meeting you all and working together through an exciting journey of Year 4 fun! I am lucky enough to have worked with many of you when you were in Year 1. It will be lovely to see how far you have come since then!

I have worked at Moorlands for 16 years now and have worked in most year groups through school but this will be my third year in Year 4. There is so much to look forward to this coming year and I know you will enjoy Year 4 as much as I do.

For those of you who know me, you will remember that I LOVE Maths and I like to make maths fun and exciting for all children! In my spare time I enjoy going on walks, having exciting days out with my friends and family and playing with my two children.

I can't wait to meet you in person and get started on an 'action packed' year together.

See you soon!

Mrs Chapman

Class 4P - Mrs Peat

Hello all,

It seems strange to be doing an online transition and I can't wait to meet you all properly. I'm looking forward to working with you in Year 4 and I'm sure we will have fantastic, fun times.

This will be my second year teaching year 4 - hopefully we can get a full year together. There is so much to look forward to this coming year and we'll have a fab time...I'm really not as scary as you might think, or have been told!

I have been a teacher for a long time, a very long time and count myself lucky as I really enjoy my job, especially being with children. My favourite subjects in school are History, English and PSHE.

When I am outside of school I enjoy watching sport, going on walks, reading and spending time with family and friends. My 2 children are my greatest achievement!

We will have a brilliant time together in year 4 I am sure: enjoying the trips and learning about the new topics that we do. I am sure you will live up to my high expectations and fulfil your full potential.

I am looking forward to seeing you all soon; have a great summer.

Mrs Peat

Class 4S - Mrs Stott

Hello!

I can't wait to welcome you all and be working with you in Year 4. I'm sure we will have many interesting and exciting times together.

I have worked at Moorlands for 15 years (and a term!), class teaching mainly in years 3, 4 and 5. Though I gained experience of all areas of school doing 2 years PPA teaching - that was when I met many of you briefly when you were in Year 1.

I work 4 days a week, so Miss Cross will be teaching 4S on a Friday. I know that you know her really well.

My favourite subjects in school are science, geography and French. I'm looking to see what you enjoy most.

Charlie, my cat, is definitely the boss at my house! In my spare time I love reading, walking, meeting with friends and I cross-stitch.

I'm sure the time will fly by until we can be together in September. In the meantime, I wish you a super summer.

Mrs Stott

Miss Cross

Hello again to you all –but especially 4P and 4C who I already know so well !

It has been a pleasure teaching you in year 2 and year 3 and watching you grow up and develop your skills in so many different ways. I am looking forward to working with all of your teachers in the year 4 team – I know them all pretty well too !

You know that I love teaching. I have been at Outlane /Moorlands for 22 years and have even taught some of your parents/uncles and aunties in the past!

You also probably know of my passion for art, books and sport but I enjoy teaching all subjects.

I have 2 lovely children who are at Greenhead College and Salendine Nook High School. When I am not at school I am always busy with projects such as D.I.Y. –recently I have built a patio and put up fences in my garden as well as doing lots of painting and decorating.

I like animals, especially my cat Meg, walking, cycling, reading and drawing but most of all watching my beloved Liverpool football team who ,if you didn`t already know, have become Premier League Champions –Yeah !!!

Miss Little

Hi Everyone!

How different doing an online transition!

I am very much looking forward to September and seeing your smiling faces again! Many of you I have already taught, either in Reception or in Year 2. I'm sure lots of you will remember me for the songs we have sung together! I am looking forward to seeing how much you have grown and the super Year 4 pupils you have become!

I have taught at Moorlands for 7 years now. I haven't taught in Year 4 before so I am looking forward to all the exciting things that come with the year group!

When I am not at school I can often be found exploring the outdoors, going on walks and adventures with my family and our dog – Max, baking and watching sports.

I hope you all have a lovely summer with lots of fun and adventures!

From Miss Little 😊

Morning arrangements

Mornings are just like in Year 3 - enter school (over the Year 3 and 4 bridge), hang up your coat on a peg. Sit in your place and complete the Early Bird task on the board.

Don't be late, otherwise you will miss lots of learning time!

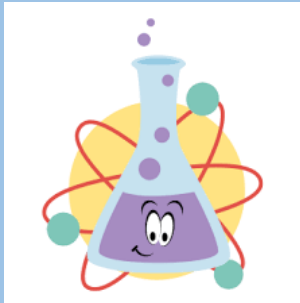

If you have an intervention, make sure you have registered and chosen your lunch before you go.

Autumn Term Topics

In Science we will:

Learn about food chains and identify producers, predators and prey.

We will also develop our scientific investigation skills through practical experiments.

Our first topic will be:

The Romans.

In Computing we will:

Develop our word processing skills in Microsoft Word and learn how to use Microsoft Publisher.

Fire Evacuation

If you hear the fire alarm what should you do?

- Calmly push your chair under and line up at the classroom door.
- Don't talk; you might miss an important instruction!
- Your teacher must be at the front with the fire book.

- Follow your teacher to the top MUGA and line up in REGISTER ORDER.

Invacuation

If you are outside and hear the five whistles signal, that means there is an invacuation.

- Calmly head towards the nearest entrance.
- Go inside and walk quickly and sensibly back to your classroom.
- Sit down in your seat and read your book in silence.
- Your teacher will ensure you are all present and radio the office.
- Your teacher will also close windows, pull the blinds down and shut the door for your safety.

You will have 2 PE lessons per week.

You **MUST** have PE kit in school all week in case our PE day ever changes.

Kit: White T-Shirt, black shorts, trainers, outdoor kit e.g. warm sweatshirt and joggers or tracksuit bottoms.

You **NEED** to remove earrings or cover pierced ears using your own tape.

Long hair **MUST** be tied back.
Watches **MUST** be removed.

At the end of each week if you have stayed green (no pegs) you will get a frog sticker so that your parents know you have behaved well.

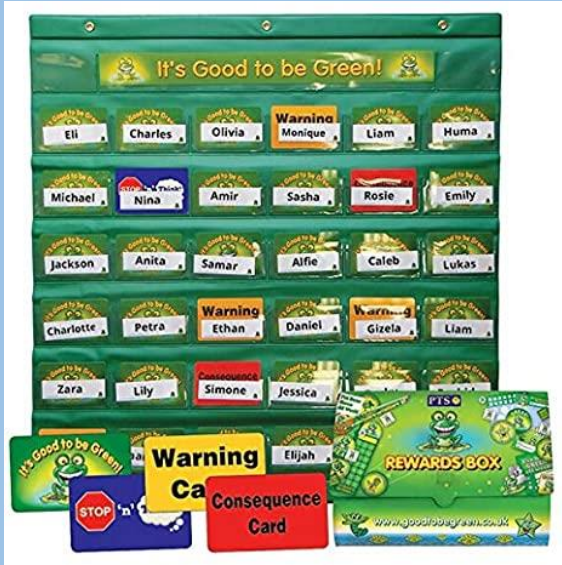

There will also be whole-class rewards. You will find out more about these during our first week back!

Merits and merit cards will continue. We will be awarded merits for growth-mindset and good attitudes to learning as well as fantastic work.

British Value Tree - This is outside Mrs Denney's office. When we nominate pupils for a British Value, we will write your name on a leaf and stick it onto the branch you received the award for.

Role Model - Children can be nominated for a role model award and may be chosen to have afternoon tea with Mrs Denney.

Behaviour system

Stage 1 is a verbal warning from your teacher. They will tell you not to do something.

Stage 2 - If you continue to misbehave then you will get a peg.

Stage 3 - If you get 2 pegs you miss playtime.

*We will remind you about yellow and red cards the first week back.

Homework

Homework is very important.

Your brain is a muscle!
Athletes train every day to exercise their muscles and become good at their sport. Learning is the same! You need to exercise your brain every day and go over things more than once!

You will get homework every Thursday. It is to be completed by Monday.

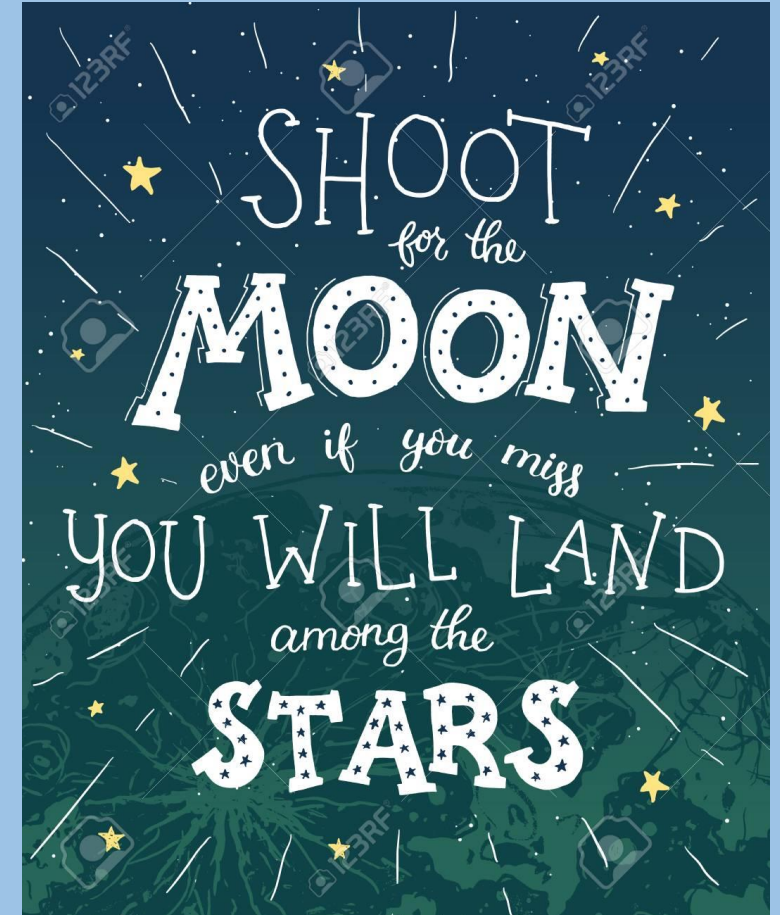

Spellings will come home every Monday ready for a test the following Monday.

Reading Books

You should be reading for at least 20mins a day. You can change your reading book whenever you wish and as many times as you wish.
We want to see your reading diary at least once a week.

How can **you** ensure that you are ready for Year 4?

- Ensure you keep up practising of all of the **times tables** you have learnt so far (2s,3s,4s,5s,8s,10s). The quicker you can recall these facts the better!
- **4 rules of number** (practise column addition and subtraction).
- Practise your year 3/4 **spellings**.
 - Enjoy **reading** some books.
- When **writing**, ensure that you are using the basics (capital letters, full stops, joined handwriting).

Your tasks to complete!

We would like you to complete some work for your year 4 teacher:

- Create an 'All About Me' hand.
- Follow instructions on the next slide.
- Bring this hand on your first day in Year 4 and we can create a lovely display in your new classroom.

'All About Me' Hand - instructions

First draw around your own hand on paper or card and cut it out.

Next write a word that tells me something about you on each finger
e.g. Football, Dancing, brother,
pizza, Maths, pet dog.

Finally, decorate the rest of the hand with colourful patterns.

If you have any questions at all about year 4, please email your year 4 teacher on their current class email address:

Mrs Chapman- 4C@moorlandsprimary.org.uk

Mrs Peat - 4P@moorlandsprimary.org.uk

Mrs Stott - 4S@moorlandsprimary.org.uk

From The Year 4 Team!
