

## Day 3

### 1. Science

Use the 'What do plants need' powerpoint to find out more about what all plants need to go. You might already know some of the things they need. If you can't access the powerpoint, you could watch this youtube clip

### 2. Explanation

Once you are confident with the things that plants need to grow, complete the 'What do plants need to grow?' sheet saved on the home learning hub. If you do not have a printer or want to challenge yourself, you could draw your own pictures and write in full sentences, rather than using the sheet.

Try to include the key words shown below:
