Spring A Dinosaurs

This Term

Our topic for this half term is Dinosaurs

As part of English and History this half term we're travelling back in time to the age of the dinosaurs.

We will look closely at dinosaurs and learn about how they have lived and eventually died out. We will learn dinosaur names and write fantastic fact files as well as completing a non-chronological report. We will continue to look at how we can use adjectives and conjunctions to make our writing even more exciting and interesting for the reader. In History we will learn about Mary Anning and how she changed history in her discoveries.

Maths

Place value within 20. Addition and subtraction within 20, missing number problems and number bonds. Reasoning and problem solving.

KIRFS: (Key Instant Recall Facts) This is taught daily to help the children recall number facts quickly. This term we will be focusing on doubles to 10 and halves of even numbers to 10.

Click here for further support on Maths@Moorlands

All children also have a Numbots login. Numbots is an online platform which allows your child to develop their addition and subtraction recall and fluency in mental maths.

Foundation Subjects
