Dear Parents/Carers,

What a wonderful final week of the half term it has been — the time has absolutely flown by! A huge thank you to everyone who joined us on Saturday for our PTA Spring Fair. It was an enormous success, filled with fun for all: from axe throwing and donkey rides to singing, music and dance performances, as well as delicious food, games, stalls, and face painting. We are incredibly grateful to our fantastic PTA and all the volunteers who worked so hard to create such a brilliant community event. Together, they raised an amazing £2,500 — an incredible achievement!

We break up for the Spring half term holiday on Friday and look forward to welcoming everyone back on Tuesday 2nd June (please note that school will be closed on Monday 1st June for an INSET day). We hope you all have a wonderful half term break and enjoy the sunshine that is forecast.

Year 3 Assembly

A big thank you to all our parents and carers who came to watch our Year 3 Creation Assembly this morning. The children performed beautifully — well done to everyone involved!

Lost Property Reminder

We currently have a large amount of lost property in school, including over 20 coats, as well as jumpers, hats, shoes and more. Unfortunately, none of these items are named.

Please take a moment to check at home to see if anything is missing—often items aren't noticed until you look for them!

We kindly ask that all clothing and belongings are clearly named so that they can be returned to their owners.

Thank you for your support.

School Parliament Petition: Improving Air Quality Around Schools

At our school, we encourage pupils to understand that their voices can make a real difference — and our School Parliament have taken this to heart.

They have launched a petition calling for fines and education for drivers who leave their engines idling near schools. This is an issue that affects children's health every day and contributes to poor air quality around our school community. For the petition to be considered for a debate in Parliament, it needs to reach 100,000 signatures.

We would greatly appreciate your support. Please take a moment to sign and share the petition using the link below:

<https://petition.parliament.uk/petitions/768090>

Thank you for supporting our pupils in their efforts to create a healthier environment for everyone.

A Sweet Treat for Staff

Staff were delighted to receive a wonderful delivery of baked treats this week from *OMGEEbakes*. The selection was absolutely delicious and very much appreciated by everyone.

We would also like to extend a sincere thank you to everyone who voted for our school to receive these treats — your support made this lovely surprise possible.

It was the perfect boost for staff as we head into the final week before the holidays!

Summer Parent Questionnaire

It was lovely to see so many parents at our first parents' evening last night. If you didn't have the chance to complete the summer parent questionnaire, please use the link here. We really value and appreciate your feedback and comments.

Summer Parents' Evenings

There are still a few slots left for our parents' evening on Wednesday, 10th June. Please book as soon as possible to avoid disappointment. Guidance on how to book can be found here: [Booking Guardian Consultations \(Parent's Evenings\) on the Parent Portal or Parent App – Arbor Help Centre](#)

We have heard from some parents that they have experienced issues on the Arbor App when booking so if you encounter an issue, please try accessing the Parent Portal on a desktop.

Year 6 Transition Workshop

Year 6 Parents should have received a letter regarding our Parent and Carer Transition workshop. More information can be found at the end of the newsletter. Places are still available:

[Transition Booking Form](#)

OPAL Play Update

Our OPAL play continues to be a huge hit with the children. This term, our Year 5 pupils have particularly enjoyed digging a very impressive hole on the field! We are looking forward to sharing all of our OPAL fun with parents on **11th June** and hope many of you can join us.

A huge thank you for all the donations we have received so far, without your support, we wouldn't have been able to create such a fun and engaging play environment.

As always, we have a few requests for additional resources. We would be very grateful for:

- A large, thick groundsheet (to create a slide on the field bank)
- Bread/milk crates
- Spades for the digging area
- Plastic buckets and spades for the sand area
- A rake for sand play
- Additional sand (we had a tonne kindly donated, but it's a large space!)
- Pallets (lots needed)
- Large blue barrels (like the popular one currently on the field)
- Railway sleepers (for tiered seating on the bank)
- Climbing rope
- Plastic slides (just the slide part, not the ladder)

Thank you again for your continued support!

Golden Wellie Award

One of our exciting new OPAL awards, the *Golden Wellie Award* is presented during our celebration assembly each half term. It recognises both children and staff who have been spotted doing something truly amazing during OPAL playtimes.

This term, our recipients proudly received a Golden Wellie trophy. A huge thank you goes to Mrs Goczan's husband for kindly 3D printing our fantastic new trophies!

This half term's winners were:

- KS2: Luke H (Year 5) for tidying away and being helpful every lunchtime
- Reception/KS1: Elsie (2S) for showing great resilience on the wiggle scooter
- Staff Award: Mrs Westwell for being an amazing role model in the stable area

Shout Outs

Emily from 2S has been working extremely hard during her swimming lessons. In her last session she not only achieved her Goldfish 2 Award but her Goldfish 3 Award too! Congratulations Emily we are very proud of you!

A huge well done to Noor in 4H for achieving Rock Hero status on TT Rockstars - answering times tables questions in under one second! This is an incredible accomplishment that reflects dedication, practice, and a fantastic attitude towards learning times tables. We're so proud of your hard work and determination. Keep rocking, Noor! 🎸 🎸

Owen in 6S swam in his first Training Academy swimming gala on Sunday. He swam brilliantly and was so proud standing on the podium to receive his 2 medals, coming 2nd and 3rd in freestyle and backstroke. What a great achievement!

Big Well Done to Myla in 1K who took part in ICE Summer Meltdown cheerleading competition at the weekend. Her team did very well and won a trophy.

Moorlands Star Writer of the Week

Leo in 4W has been awarded Star Writer for his outstanding newspaper report, which was inspired by our class text *The Corinthian Girl* as part of our Ancient Greece topic. His report focused on the striking and engaging headline of a slave girl becoming a future Olympian, immediately capturing the reader's attention and creating a strong sense of interest.

Leo demonstrated an excellent understanding of the key features of newspaper writing expected at Year 4. He crafted a powerful headline and used a clear introductory paragraph to summarise the main events, ensuring his reader was quickly informed.

Throughout his report, he carefully organised his ideas into well-structured paragraphs, maintaining a clear and logical flow. Leo also used ambitious vocabulary linked to our Ancient Greece learning, showing a strong awareness of the historical context.

His writing was engaging, imaginative and purposeful, demonstrating both creativity and technical skill. Be proud, Leo. Well done!

All work chosen for Moorlands Star Writer of the Week will be shared on the school website and can be found under the 'Curriculum' tab on the website's main page. Be sure to keep checking our newsletter and website to see who the next Moorlands Star Writer will be!

Behaving the Moorlands Way and Learner of the Week Awards

Each week, two special certificates are awarded in every class: Behaving the Moorlands Way and Learner of the Week. These awards are given to students who consistently demonstrate excellent behaviour and a fantastic attitude towards learning, always doing their best. We are thrilled to announce the recipients of this week's awards.

What Parents & Educators Need to Know about ONLINE TRENDS ENCOURAGING VIOLENCE

7 out of 10 teens report seeing violent content on social media, with over half of that content featuring fights involving young people. Most don't 'seek' it but are shown it through social media feeds or messaging groups. 91% of young people involved in violence have seen violent social media content. Viral trends, challenges, or 'wars' that are spread online risk encouraging violence offline, while real-world incidents may also be recorded and promoted online.

WHAT ARE THE RISKS?

ALGORITHMIC EXPOSURE

Social media platforms are designed to keep users engaged, meaning dramatic or extreme content can spread widely and quickly. Algorithms often recommend content that reflects users' past interactions. As a result, young people may see more violent material if they have viewed, commented on, or shared it before. Repeated exposure can make violent content appear frequently in their feeds without them fully understanding why.

WEAPONS AND CRIMINAL RISK

Teens exposed to high levels of real-world violence on social media sometimes report feeling an increased need to carry a weapon for 'self-protection'; however, carrying a weapon increases the risk of victimisation (harm and injury by others) for young people. In addition, carrying a weapon is a serious offence that can lead to police arrest and a criminal record.

SHARING VIOLENT CONTENT

Encouraging or assisting an offence is a crime in the UK, including via social media, and can lead to arrest. This means sharing, forwarding, or reposting violent content carries a risk for young people too. Showing examples of content to a trusted adult is appropriate, but young people should take care not to further spread violent material by posting it online or sharing it within large messaging groups.

FEAR, ANXIETY, AND MARGINALISATION

Research shows young people's emotional wellbeing can be negatively impacted by repeated exposure to violent online content, especially when it depicts 'real-world' violence (as opposed to fictional depictions in games or films). Posts featuring weapons, threats, attacks, and fights – or content that appears to glamorise gang activity – can increase feelings of anxiety or fear among young people. Material that encourages violence targeting people because of their identity, such as their nationality or religion, can also create disproportionate harm for children belonging to those groups.

AVOIDANCE AND ISOLATION

Real-world violence on social media can increase young people's belief that their local communities – or the 'outside world' more generally – are unsafe places. This can result in avoidant and isolating behaviours, which may negatively affect their wellbeing. As well as feeling fearful of others, teens also report feeling judged for spending time together in large groups, which may affect their social interactions and leisure time.

Advice for Parents & Educators

STAY INFORMED

Stay alert for updates from police, schools, or local authorities, and follow the advice provided. Be cautious about unofficial accounts, fake content, and misinformation, which can spread quickly online or in chat groups. Ensure you get accurate information from trusted sources and encourage young people to do the same. Remind them never to share violent content online and to speak to a trusted adult instead.

DISCUSS SOCIAL MEDIA

Encourage young people to talk about the content they see online and the effect it can have. This can be an opportunity to discuss topics such as misinformation, AI-generated material, the attention economy, and algorithms, helping them understand how and why extreme content can spread online. Explore tools available to block, report, and remove harmful content, and signpost where to get support and advice, such as reportharmfulcontent.com.

TALK CRIME AND SAFETY

In most of the UK, the age of criminal responsibility is 10 (12 in Scotland). This means there can be serious criminal consequences for carrying a weapon, taking part in violence, or filming or sharing violent content. Discuss the law with young people alongside practical safety strategies. Ask questions such as: "What could you do if you feel unsafe?" Work together on action plans and remind them they can contact a trusted adult or the police if they witness or experience violence.

ENCOURAGE POSITIVE ACTION

Focus on strengthening young people's positive experiences both online and within their local communities. Discuss strategies to reduce negative social media effects, such as time limits, unfollowing certain accounts, or taking breaks from apps. Encourage offline activities such as spending time with friends, visiting local places, and taking part in hobbies that bring them joy, purpose, and connection. Remind them they can seek support with any concerns at any time via childline.org.uk.

Viral Trend Risks Causing Severe Burns to Children

Microwaving NEEDOH Toys and Squishies

Parents and Carers Guide

WHAT YOU NEED TO KNOW

A viral trend is encouraging children to microwave squishy silicone toys, known as NEEDOH toys or squishies, among other names (Jelly Cubes, Nice Cubes) in order to make them softer and more pliable. Often, the packaging warns against this, but children are ignoring it because online videos and trends on TikTok, Instagram and YouTube encourage them to do the opposite. The toy feels cool to the touch after microwaving, but bursts when squeezed, spraying boiling material on hands, neck and face. A child in Bristol was seriously hurt on 4th May 2026 and children in America have experienced significant burns and injuries. This has happened to children as young as seven.

Please note - Your child does not need to have searched for this. The algorithm shows it to children based on other content they have watched.

IF YOUR CHILD HAS ONE OF THESE TOYS

It is natural to feel concerned, but the most important thing is to remain calm. Children are far more likely to talk to you, now and in the future, if they know they will be met with a steady response rather than alarm.

This is also a valuable opportunity. What your child sees online, from friends or from trends, does not always show the full picture or the consequences. Safety conversations are not about restricting their fun, they are about making sure they understand how to protect themselves and others.

STARTING THE CONVERSATION

You do not need to be an expert. A relaxed, open and honest conversation is enough. A few things that can help:

- Use the toy as a natural conversation point rather than sitting them down for a formal talk.
- Tell them simply that children their age have been seriously hurt following this trend. Reality carries more weight than a rule.
- Avoid taking the toy away without explaining why as providing a reason builds trust. Removing it without understanding may lead a child to hide things from you.
- If the toy feels too firm, the manufacturer's recommendation to soften it is to knead it with your hands for a few minutes. Encourage them, or help them, to do this instead.
- If they have already seen the videos, remain calm. The algorithm does its job quietly. What matters is the conversation that follows.

KEY POINTS TO DISCUSS...

You do not need to be an expert. A relaxed, open and honest conversation is enough. A few things that can help:

- The toy looks and feels completely normal after microwaving, the outside stays cool to the touch. But inside, it has reached temperatures as hot as boiling water so when squeezed, it bursts and dangerous hot liquid can explode.
- The injuries include severe burns, potential scarring and in some cases, a risk to eyesight. Some children have been hospitalised because of the trend.
- Remind them it could hurt anyone nearby - a friend, a sibling, whoever is in the room when it bursts.
- Online videos are designed to look like helpful tips, sometimes to get more followers. They do not always show what happens afterwards.
- If a friend suggests trying it, knowing and explaining the real danger makes it much easier for them to say no.
- If they have already tried it, or something has worried them, they are not in trouble. What matters is that they are safe.

If your child is worried or needs help, make sure they know they can always come to you first or an adult they trust. They can also:

- Talk to a trusted adult at school – their teacher, a youth worker or the school Safeguarding Lead or Child Protection Co-ordinator.
- Contact Childline, free, confidential and available any time
- If they have been hurt, seek medical attention straight away - call 999 immediately. Burns from this can continue to cause damage after the initial contact.

Please do not search for this on TikTok or Instagram yourself. Every search feeds the algorithm and makes this content more visible to others. For news coverage, use the links below and share this and our alert with friends and family to raise awareness.

For verified news coverage: [BBC News](#) | [The Independent](#)

If your child has seen these videos or even tried this trend, do not react with panic or anger. That is the response most likely to close the conversation down. Staying calm keeps the door open, and an open door to conversations with adults they can trust is what makes children safer.

Huddersfield Football

Development

At Netherhall School (Grass)
Nether Hall Avenue, Huddersfield , HD5 9PG
Starting on Wednesday 13th May 2026

In association with First Kick Football

School years - Reception & Year 1	6:00pm - 6:45pm
School years - Year 2 & Year 3	6:45pm - 7:30pm
School years - Year 4, Year 5 & Year 6	7:30pm - 8:30pm

Dear parents,

Places are now available to join a new **12-week football course every Wednesday at Netherhall School**, which is open to both boys and girls.

Our courses teach children correct football techniques by FA qualified coaches who have full DBS (CRB) clearance to work with children. The structure for the course is 'FUN through Football,' building confidence for total beginners and moving onto more complex sessions for experienced players.

We provide a **ball per player** for the majority of our drills ensuring children get more touches of the ball and improve quicker than conventional coaching where children are waiting around to have a turn. The sessions are held on the fantastic grass pitch so boots or trainers should be worn. Players are also advised to bring a still drink for the session.

The club has links to local junior teams of which players will be able to play for at the weekend. Players who show advanced ability on the course will be recommended for trials at professional academies. Players who have previously attended courses are currently playing for Bradford City, Sheffield United, Sheffield Wednesday, Manchester United, Liverpool, Leeds United, Everton and Oldham.

The cost of the course is just £6.67 per week, which is payable in two instalments. The first payment of £30 is due when booking your child on and the second payment of £50 due at the first session. Parents are encouraged to watch the sessions but are welcome to leave children, as every session is fully supervised.

****NEW TOURNAMENT FORMAT****

Every four weeks we have a tournament in order for the children to put their new-found skills into practice with medals awarded at the end of the course for various categories.

ALL PLAYERS WILL RECEIVE A TROPHY AND MEDAL at the presentation, which is held on the final week of the course. Additional trophies will also be awarded in each group from categories including; Best Attitude, Star Player, Most Improved Player, Most Promising Player and Hardest Working Player.

To book a place for your child please telephone:

Kelvin

0113 457 3715 or 07514 316534

www.firstkick.co.uk

We cannot guarantee that the course will run in consecutive weeks
Please note we have a strict no refund policy once the course has been booked

We love to do crafts and baking but also do outdoor activities like scavenger hunts and orienteering. We also do lots of educational activities as well so we keep a nice balance of fun and learning!

HAWKS' JUNIOR BASKETBALL SESSIONS

At Hawks, we're all about fun first. Whether it's their first bounce of a basketball or dreams of the NBA, every child is encouraged to enjoy the game, stay active, and grow as part of a team.

Our sessions at the University of Huddersfield are built around play, positivity, and progress—helping young players develop not only basketball skills, but also healthy habits, confidence, and resilience that last a lifetime.

This is where the journey begins. Where young Hawks learn to fly.

Why not

JOIN THE BAND?!

Tower Brass Community Band welcomes everyone to play, learn and have fun together, encouraging happiness and achievement in equal measure.

We practise every term-time Wednesday from 6.30 – 7.30 at the home of Lindley Band, who support us with expert guidance and opportunities to perform.

<https://www.thelindleyband.net/tower-brass/>

Shy?

Community, inclusion and participation are amongst the key words that define being part of this band. It caters for people of all ages, abilities, race, gender and aims to provide a safe, nurturing environment.

No instrument?

Some have their own, but Tower Band offer participants the opportunity to loan an instrument for free. All that the band require in return is regular participation in rehearsals and, more importantly, to enjoy music making.
